See the unbeatable highlight features for yourself:

Unique Start-Stop performance

High performance available from the very first start.

Reliable cranking at low temperatures

Ready even at a high depth of discharge.

Impressive battery life

Long-lasting and stable Start-Stop performance for longer battery lifespan and increased environmental friendliness.

More benefits of the AGM range:

- Ideal for large cars, SUVs, vans, vehicles with Start-Stop, and very latest car models (including FHEV/ PHEV) with power-hungry electrical equipment
- Top-level safety features and absolutely no free acid
- Recombinant VRLA (valve regulated)
- Latest generation, approved by car manufacturers
- Great car parc coverage from a limited number of SKUs
- Long shelf life
