NEW Sonnenschein PowerCycle for High Temperature & High Cycling

GNB[®] Industrial Power is pleased to announce the launch of a new range of Gel batteries for Network Power: Sonnenschein **PowerCycle**.

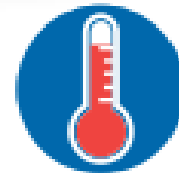

As the inventor of the dryfit[®] Gel technology, GNB[®] has been continuously striving towards technological advancements to respond to new customer needs. The latest achievement of the Research & Development group is a product which combines an enhanced **resistance to high temperatures** (up to 5 years float life at 40°C) as well as an incredibly **long cycle life** (up to 1,600 cycles at 60% depth of discharge).
